Dear GSCBWLA Supporter:

On Thursday, June 13, 2019 at 6:00 p.m., we will be hosting our 34th Annual Scholarship, Awards & Installation Banquet at the InterContinental in downtown Miami. You are hereby cordially invited to join us for this celebration!

GSCBWLA is a professional association focused on professional development and community service. For example, through our Lillie C. Evans Elementary School Program, and mentorships with Miami Carol City Senior High School and the COPE Center, our members give back to the community. We also provide opportunities for law students to continue our namesakes' legacy of promoting access to justice through the Gwen S. Cherry Fellowship at Legal Services of Greater Miami.

While continuing to cultivate these programs, we endeavor to expand our reach into the community by partnering with providers that service the most vulnerable in our community. As such, part of the proceeds generated from this event will fund our Fellow and Scholarship recipients, as well as our programming year. Thus, our annual celebration serves the dual purposes of honoring our organization's trailblazers and ensuring its legacy for the future.

We thank all of our supporters, who aided our organization over the years. We call on you once again to ensure the success of this event. Please take a moment to consider the enclosed sponsorship opportunities; alternatively, in-kind support, or donations are welcomed as well.

As we celebrate the 34th Anniversary of our organization, we are honored to carry the torch our pioneering founders and namesake handed to us. We hope you join us during this occasion, and contribute to the success of this event.

Sincerely,

Melba V. Pearson, Esq.

President

ABOUT GSCBWLA

The Gwen S. Cherry Black Women Lawyers Association (GSCBWLA)—formerly the National Bar Association Women Lawyers Division Dade County Chapter—was formed in 1985. The association’s mission is to address the concerns of women lawyers, and to address the legal, social, economic, and political needs of the Black community, and the community-at-large.

For over thirty years, GSCBWLA has been a network of attorneys dedicated to community service and the professional development of its members. The association has placed a strong emphasis on community service through its community seminars, free neighborhood legal clinics, programs educating and empowering youth, and the mentorship of law students. The association is also known for its support of its members’ growth and development within the legal profession. With this support, our members have achieved many “firsts” within Florida as lawyers within law firms, corporations, government agencies and the judiciary.

In 2005, the association voted to be renamed in honor of community activist Gwendolyn Sawyer Cherry, who was the first Black female attorney to practice in Dade County and the first Black female legislator in the State of Florida. Throughout the association’s existence, it has grown and its reach has expanded. Although it began as a Dade County bar association, GSCBWLA currently represents over 350 men and women law students, lawyers and judges throughout the State of Florida.
